INDEX TO VOLUME 28

Abdomen
acute disease masked by tabes dorsalis, 705
analysis of 550 stab wounds, 483
pain, urachal abscess presenting only as, 42
radicular syndromes simulating intra-abdominal surgical conditions, 59
Abdominoperineal resection, bladder dysfunction following, 56
Abscess, urachal, presenting only as abdominal pain, 42
Absorption, and systemic toxicity of local anesthetics, 45
Achalasia of esophagus, 545
Adam, Maurice. *See* Davis, 239
Adhesions, small bowel, obstruction due to, 579
Adrenal cortex, response to surgery, 560
Adrenalectomy, effect on composition of rat bile, 429
Adriani, John. The relationship of absorption to systemic toxicity of local anesthetics, 45
Aghemand, Abbas. Carcinoma of the colon and rectum in children, 764
Alcohol and histamine, effect on pancreatic secretion, 443
Aldinger, E. E. *See* Lee, 87
Alkylating agents
L-cysteine hydrochloride to protect against, 339
routine use for palliation of advanced cancer, 802
Alrich, E. Meredith. *See* Hairston, 181
2-Amino-2-hydroxymethyl-1,3-propanediol. *See* THAM
Anesthesia
local, relationship of absorption to systemic toxicity, 45
upper extremity, axillary approach, 600
Anlyan, William G. *See* Weaver, 38
Announcement, IV World Congress of Cardiology, 653
Anomaly
spinal, 501
vascular, and abnormal growth of extremity, 775
Antiemetic, fluphenazine dihydrochloride as, 595
Aorta
effects of constriction of celiac axis in dog, 518
practical considerations in manipulation of, 278
stenosis
improved techniques for open repair, 239
subvalvular diaphragm simulating, 47
tissue reaction to sutures, 799
Arm, volumetric measurements, technique and results, 465
Arteriography, carotid, in intracranial lesions, 572
Arteriosclerosis, and manipulation of aorta, 278
Artery
carotid, syndrome due to kinking, 745
embolism of, 199
inferior mesenteric occlusion, with left bowel necrosis, 669
grafts
composite (Teflon and autogenous vein), 469
in lower extremity, 113
superior mesenteric, effects of constricting in experimental animal, 170
Asman, Henry B. Radical hemorrhoidectomy, 324
Atherosclerosis, surgical considerations in, 411
Averbrook, Beryl D. *See* Carlson, 74
Axillary approach in anesthesia of upper extremity, 600

Baden, Wayne F. Presacral and uterosacral (paracervical) denervation for severe dysmenorrhea: a preliminary report of fifteen cases, 639
Baker, Lenox D. *See* Jones, 23
Balla, George A., James Finney, Sam B. Hutton, John T. Mallams, and Robert F. Short. The use of L-cysteine hydrochloride to protect against the lethal effects of various alkylating agents, 339
